Free items on the curb

We would prefer that items are not put out on the curb labeled for free. If you have an item that is still useable, we encourage you to donate it. There are two sites by Northtown: Savers and Salvation Army and two Goodwill locations in Blaine.

If you decide to try it on the curb, the item may not be out for more than 12 hours. We don't get much traffic through here (it's one of the great things about Colonial Village!) so anyone who is going to see it will see it in the 12 hour window. Please remove the items and bring it back into your home, donate it, or put it in your trash cart. Call Carol for ideas on disposing of extra large items.

1 egg beaten with 1 tablespoon water, for egg wash

Wrap in plastic and chill for 30 minutes.

Roll the dough into 1 1/4-inch balls. Dip each ball into the egg wash and then roll it in coconut. We mourn the loss of yet another resident:
Penni Turnbull passed away this month.
She had many friends here and
she will be missed.

Here's a great product to have around your home. WD-40 SILICONE. This spray resists water so is great to use on locks, especially those outside like your shed lock. You can use it on your storm door handles to keep them from freezing up. It can also be used on noisy door hinges.
